Notes to Buyers:

The Auction Company recommends that buyers consult with consignors prior to sale, on status and exportability to confirm if animals and semen qualify for your province or state.

Semen is sold by the straw but you must take all the straws in that lot. So the price = bid price X the number of straws in that lot.

All sales are in Canadian Funds

THE PEDIGEEES LISTED IN THIS FLYER ARE THE SIRE AND DAM ONLY. IT IS RECOMMENDED THAT YOU VISIT OUR WEBSITE FOR THE EXTENDED PEDIGREE AS ALL THESE ANIMALS GO BACK TO WELL KNOWN & GREAT GENETICS.

Go to **www.gwacountry.com** for full pedigrees, stats, to register for online bidding and more information.
